Yorkland's Mooncake Festival 2026

Dear Parents,

September brought us many joyful moments, meaningful experiences and wonderful memories at Yorkland. It was a month filled with learning, laughter and special occasions that gave our children many opportunities to learn, grow and enjoy being together.

One of the highlights of the month was our Mooncake Festival Celebration, where our children came together to celebrate this beautiful tradition through performances, activities and of course, our much-awaited lantern walk.

Mooncake Festival

Our Mooncake Festival celebration began with a special hands-on experience, making our very own mooncakes. Using different natural colours and flavours, the children created their own unique mooncakes. They learned how to roll, shape and press the dough, and the most exciting moment was lifting the mould to discover the beautiful patterns they had made.

Each mooncake turned out a little different and special, just like the little hands that made them. The children were very proud to see their finished mooncakes beautifully packed and ready to bring home and share with their families.

Our celebration day

Our little performers delighted everyone with their cheerful Mooncake Festival presentation. We were amazed to see how well the children could remember so many songs, actions and movements.

They sang confidently, moved along to the music and enjoyed themselves playfully with their friends. Their happy smiles, laughter and excitement made the presentation even more enjoyable to watch.

It was wonderful to see our little ones having so much fun while proudly showing everyone what they had learned.

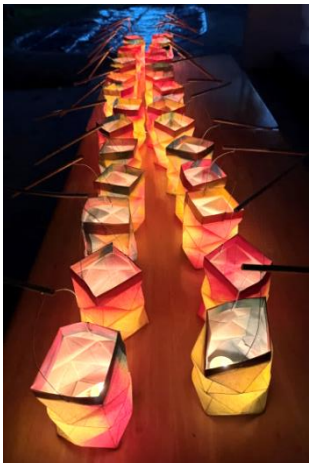
Our big children, the 6-year-olds, also impressed us with their wonderful performance. Each of them confidently carried out their part and worked beautifully together as a team. What made us even prouder was seeing how calmly they handled the little unexpected moments during their performance. When some of them forgot their castanets, there was no panic. Instead, they simply smiled at one another, carried on and continued performing with confidence.

It was a lovely reminder that a small mistake does not have to stop them from moving forward. Their ability to stay calm, adapt and continue with a smile showed us just how much they have grown in confidence, independence and maturity. As graduation draws closer, moments like these make us proud to see how capable they have become and how ready they are for the next chapter of their journey.

A Festive Feast

Our Mooncake Festival celebration was filled with delicious food and festive treats. Families gathered together to enjoy a variety of dishes, including colourful mooncakes, traditional snacks, noodles and other favourites.

Children and parents happily chose their food from the buffet while enjoying the lively atmosphere. It was a lovely time for everyone to eat, chat and celebrate together.



As night fell, the children excitedly carried their colourful glowing lanterns and walked together with their friends, teachers and families.

It was such a lovely sight to see the little lanterns lighting up the street. From afar, the colourful lanterns looked especially beautiful as everyone walked together, creating a warm and festive atmosphere.

We were also very thankful that although it had been raining earlier, the weather cleared just in time for our celebration. Thank the nature for giving us a beautiful pause in the rain, allowing our children to enjoy their performances and complete their much-awaited Lantern Walk.

After School Care Mooncake Celebration

The Missing Golden Mooncake

Our Year 1 & 2 Yorkland students delighted everyone with a fun and meaningful voice-over drama performance, The Missing Golden Mooncake. While some students brought the characters to life through expressive acting, others provided the voices, narration, music and sound effects.

The humorous story followed Mei, Wei and Detective Kai as they searched for Grandma Lin's missing golden mooncake. Along the way, they discovered that the little Rabbit had taken it but eventually found the courage to admit the truth and return it.

Filled with funny moments and lively acting, the performance also shared a beautiful message about honesty, forgiveness, kindness and sharing, reminding us that a celebration becomes truly meaningful when we share not only our mooncakes but our hearts too.

Celebrating the Sounds of Our Heritage

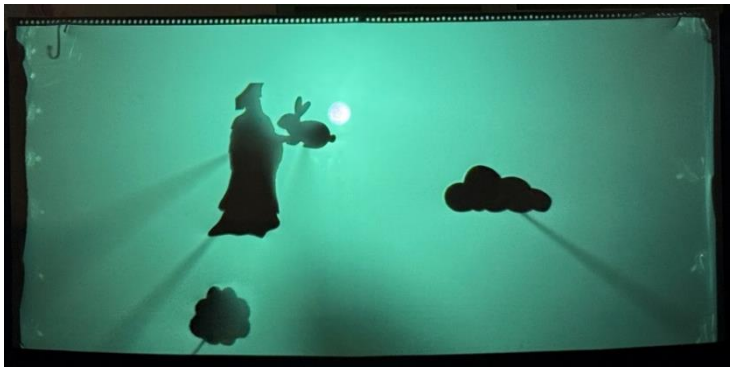
Our Year 3 & 4 Yorkland After School Care students brought a fun and interactive touch to our Mooncake Festival celebration with a special Chinese dialect performance.

The students confidently presented words and phrases in different Chinese dialects, giving everyone a chance to appreciate the richness and diversity of the Chinese language and culture. To make the performance even more engaging, they invited the parents to listen, repeat and say the dialect phrases together with them, creating plenty of laughter and wonderful interaction.

It was lovely to see our students sharing what they had learned while involving their families in the celebration. A meaningful way to learn, connect and celebrate our cultural heritage together.

The Jade Rabbit – Shadow Puppet Performance

Our Year 5 & 6 Yorkland After School Care students brought the story of The Jade Rabbit to life through a beautiful shadow puppet performance. With colourful lighting, music, narration and handmade shadow puppets, the children worked together to tell this meaningful Mid-Autumn tale.



The story reminds us that true kindness comes from giving and compassion, making the heart shines brightly.

A wonderful performance and teamwork by our students.

A Magical Festival of Lights

Our Yorkland children brought the spirit of the Mooncake Festival to life through a beautiful and heart-warming performance. Dressed in black, the children created a magical scene as their glowing hands lit up the darkness, moving together to represent the warmth and brightness of the full moon.

Surely one of the parents' favourite performances of the evening, it was a truly captivating moment that filled the celebration with light, joy and wonder.

The performance celebrated light, togetherness and hope, reminding us that every child brings their own special light to our Yorkland family.

Days 1 & 2 – Bringing Art to Life!

Our September 2026 Holiday Programme began with two exciting days of creativity and imagination.

Guided by an experienced art teacher, the children explored the wonderful world of 3D drawing, colouring and painting. They learned how simple drawings could be transformed into eye-catching artwork with layers, textures and three-dimensional details.

From a colourful butterfly scene glowing under a magical spotlight and an adventurous 3D pirate ship sailing across the ocean, to a charming Afternoon Tea display board featuring a teapot, teacup, cakes and beautiful decorative details, every creation was brought to life with colour, texture and imagination.

The two-day workshop gave the children the opportunity to experiment, create and express their own ideas while developing focus, patience, fine motor skills and artistic confidence.

A colourful start to our holiday programme, where little imaginations were brought to life through art.

Day 3 - An exciting trip to Countryside Stables, Penang.

The children had a wonderful opportunity to get up close with the horses and enjoy a variety of hands-on experiences. They tried horse riding, feeding and grooming the horses and even enjoyed walking alongside them. For many of the children, it was a memorable chance to interact with these gentle animals while learning how to approach, care for and respect them. For some, it was also their very first experience riding a horse, making the day even more exciting and unforgettable.

After our fun filled morning at the stables, we continued our little adventure in Balik Pulau, where everyone enjoyed a wholesome and healthy lunch together.

It was a day filled with new experiences, happy smiles, courage and plenty of outdoor fun, definitely a memorable Day 3.

Day 4 – Games, Laughter & Water Fun!

We wrapped up our September 2026 Holiday Programme with a day filled with fun, laughter and lots of excitement.

The children started the day with a variety of indoor games, followed by exciting water games that kept everyone active and entertained.

And of course, we saved the best for last, water play. The children splashed, played and laughed together, enjoying every moment of getting wet and having fun with their friends.

It was the perfect way to end four wonderful days of creativity, adventure, new experiences and friendship. A happy and refreshing finale to our September Holiday Programme!

Upcoming Events

Yorkland's Deepavali Celebration

Friday, 30th October

We look forward to celebrating the Festival of Lights with our children through fun, meaningful and cultural activities.

Making Muruku

Children will get to make their own muruku for snack.

Colourful Rangoli

Creative Crafts

Banana Leaf Lunch

Deepavali Song

Diwali has come, Diwali has come,
Let's light the diyas one by one,
Let's make a rangoli, a colourful one,
Let's fire the crackers, just for fun,
Let's join our hands and greet everyone.

If you have Indian traditional attire, please let your child wear it on that day. If you do not have one, please approach the teacher as we have some at Yorkland.
