YORKLAND News

Issue 10 / Aug 2021

Dear Parents,

We are glad to inform you that 100% of teachers as well as parents, both pre-school and after-school-care parents have received their first dose of the Covid-19 vaccine. Up till the end of August 2021, approximately 52% have been fully vaccinated. We shall keep you posted on the vaccination dosage status.

At Yorkland, for the children, one of the most enjoyable moments, without a doubt, is outside playtime. Happy laughter resounds throughout the garden as the children run about playing games with their friends. As we are aware outdoor air and its ventilation help reduce the concentration of airborne contaminants, we now practice longer outdoor playtime. During the extended outdoor play, the children do more gardening work in the garden.

Children excitedly dugs into the soil to pull out the ginger from the vegetable bed. The gingers are washed with water to remove off the soil and passed on to Aunty Anny.

Upcoming project on the roll - an attempt to grow our very own creeper plant, beans!

Children picked the fully red, ripped berries from the garden and tasted the fresh berries during the afternoon snack.

On the other end, our dear children who are schooling from home have managed to complete their very own storybook depicted from the title “The Very Hungry Caterpillar".

It was a joyful bonding session between teacher, parent and child. When a child is actively involved, their concentration span and motivation is much higher. We as teachers felt equally pleased seeing our children’s creativity in forming their masterpiece.

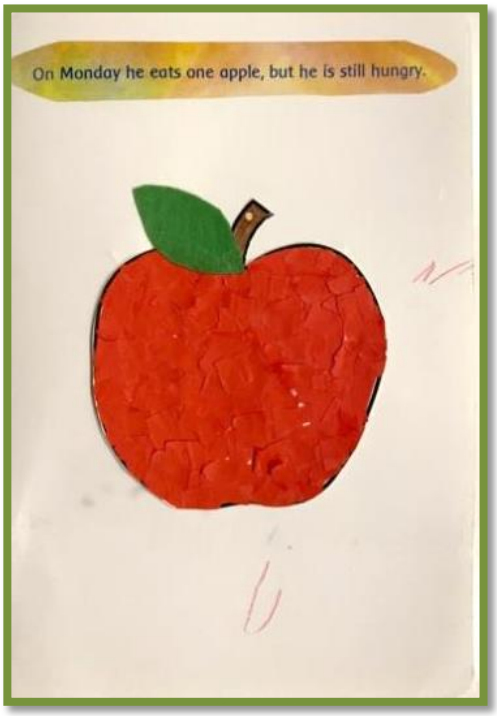
August 2021 [MCO 3.0 Online class]

In the light of the moon a little egg lays on a leaf.

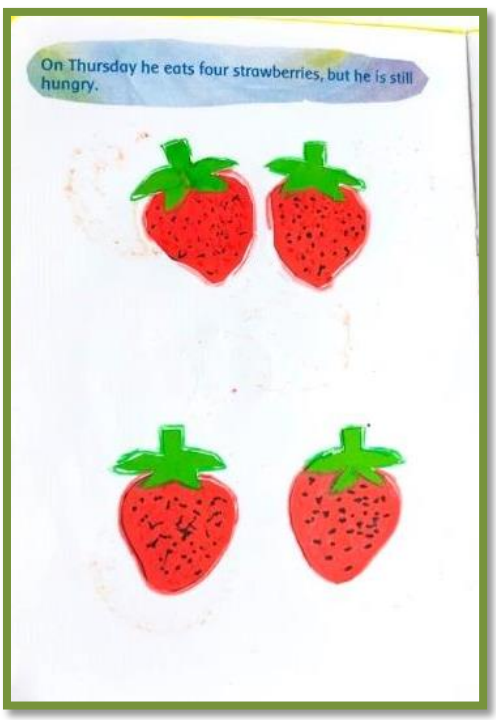
One Sunday morning the warm sun comes up and – pop! Out of the egg comes a tiny and very hungry caterpillar. He starts to look for some food.



On Monday he eats one apple, but he is still hungry.

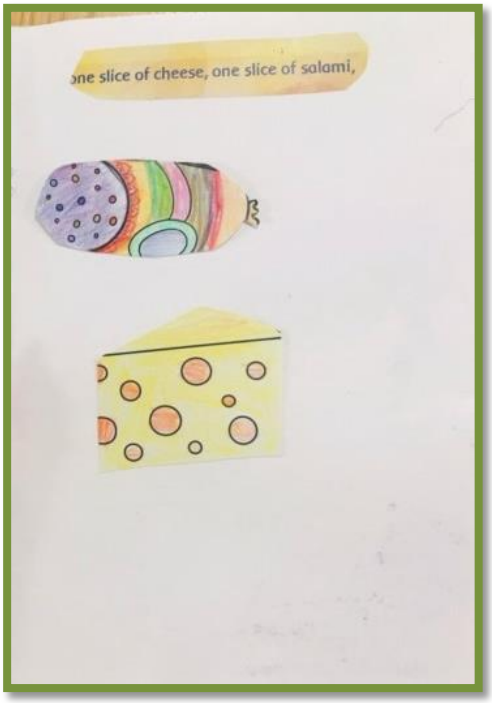
On Tuesday he eats two pears, but he is still hungry.

On Wednesday he eats three plums, but he is still hungry.



On Thursday he eats four strawberries, but he is still hungry.

On Friday he eats five oranges, but he is still hungry.



Adding on, children read aloud the brief storyline where they beautifully illustrated each page of their storybook. A beam of glow and pride is visible on the children projecting their work.

Upcoming Events

Mooncake festival

Mooncake festival is just around the corner. Teachers have started practising Mooncake poems and songs with both groups of children who are attending physical to Yorkland and of those from an online class. They are working enthusiastically in preparing themselves for their virtual presentations. Our big children are assigned to recite Hokkien Poem.

Real soon, all the children will start making their own individual lanterns as well as the smaller sized lanterns which will be used as decorations to boost up the festive mood. We are pleased to inform you that on the eve of the festival, 9th September [Thursday], the children will be making their mooncakes.

Yorkland Mooncake Festival 中秋节

Big children: Small children, let's start.
Small children: Okay!
All children: We will begin with poems.

~Lantern Poem~
English

The golden sun is shining, up in the blue sky
To give us warm and to make things grow
The silver moon is shining, up in the night sky
To show us the path on our way home
Dear Sun dear Moon
You give us light and warming love
From heaven above to life on earth
