CONGRATS TO OUR 2024 GRADUATES!

Dear Parents,

Yorkland buzzed with joy and pride as we celebrated our annual Graduation Ceremony on Friday, 22nd November 2024. As we watched our Class of 2024 take their momentous steps forward, we couldn't help but marvel at their incredible journey from their first day at Yorkland to this significant milestone.

These bright young graduates have consistently demonstrated the true spirit of learning; embracing challenges with curiosity, approaching each day with enthusiasm, and supporting one another through every step. Their growth mind-set and determination have not only shaped their academic achievements but also their character, making us immensely proud.

The ceremony was made even more special by our younger students, who came dressed in their finest attire to celebrate their senior schoolmates. In a heart-warming display of school unity, our little ones delivered delightful dance performances to upbeat music, their energy and excitement filling the hall with joy. The ceremony beautifully showcased the special bond between our older and younger students.

Our brave "bears" stood tall with remarkable confidence!

The playful "rabbits" hopped about, secure in the presence of their "bigger brothers and sisters!

And our graceful "butterflies" danced in perfect harmony, each one playing their part beautifully!

We are grateful to Teacher Jeanne, the former principal of Waldorf school from Netherlands to join us on this special day.

The graduates' own presentations moved many to tears—happy tears that spoke volumes about their growth and achievements. Teachers and parents watched with pride as these young achievers received their Graduation Certificates, marking the culmination of their early educational journey.

This celebration was more than just a ceremony; it was a testament to the strong foundation these children have built at Yorkland. While the path ahead may present new challenges, we are confident that our graduates are well-equipped with the knowledge, skills, and confidence needed to embrace their future adventures.

To our Class of 2024: You have left an indelible mark on Yorkland, and we look forward to hearing about your future successes. Congratulations, dear graduates!

Upcoming Events

December has arrived, bringing the joy of the holiday season. At Yorkland, we're celebrating Christmas with our meaningful theme "Kindness and Sharing." Our students are learning that Christmas extends beyond receiving gifts; that it's about offering kindness and compassion to friends and family.

The holiday spirit is already alive in our classrooms as children create Christmas crafts and handmade ornaments for our decorations. More exciting activities a wait as we approach our main celebration!

Please join us on Friday, 13th December 2024 to celebrate this joyful day.

We look forward to seeing everyone at Christmas festival.
